Revision IV

To Iscar Customer

Subject : RoHS - Confirmation Letter

At your request, this is to confirm that to the best of our judgment and understanding, all products which are supplied to your company by Iscar Ltd. are currently in full compliance with the relevant provisions of Directive 2011/65/EU of the European Parliament and of the Council dated 8 June 2011 (latest version of the "RoHS Directive"), all in accordance with the timescale for the implementation of such provisions as defined and specified in the said RoHS Directive.

Further, we hereby confirm that Iscar Ltd., has fully implemented the Environmental Management System (EMS) according to ISO 14001 standards, and copies of our ISO 14001 Certifications are enclosed herewith.

Sincerely,

Eran Salmon
IMC Quality Assurance Manager

REACH: Standard Communication Along the Supply Chain¹

Declaration of Intent for REACH Implementation

IMC may have different responses for different “products” supplied to you (which can be Substances, Mixtures or Articles according to REACH terminology)

This sheet covers them all:

Substances

Mixtures

Articles

1. We (the supplier) confirm that we understand our obligations under REACH.

Yes

No

2. As part of our company is located outside of the EU/EEA areas, we will ensure that you, our customer, do not need to act as importer under REACH e.g. IMC will be the only representative.

We answer questions 3-6 on behalf of ourselves as the only representative.

Yes

No

Note: IMC is a European company (legal entity). IMC acts as an importer and supports all of IMC subsidiaries in Europe.

3. The intention is that all substances in the products we supply to you, which require registration, will be pre-registered by us or one of our suppliers in the supply chain.

Yes

No

4. We will send a list of “products” supplied to you for which there are substances that are not intended to be pre-registered.

Yes

No

Attached, please find confirmations from TÜV SÜD (a leading, Germany based, technical service company active in the strategic business segments) stating that substances of IMC do not need to be registered.

¹ The information contained in this letter expresses only the intention of the respondent and does not constitute a legally binding obligation. Whilst the information is provided in utmost good faith, no representations or warranties are made with regards to its completeness or accuracy and no liability will be accepted for damages of any nature whatsoever resulting from the use of or reliance on the information.

5. Does the IMC Group have substances that are included in the candidate list. (REACH Art. 33 [1])?
(Letter of confirmation can be supplied upon request).

Yes No None expected

6. We will have a dialogue with you, should you desire, and our suppliers regarding safe use and risk management measures ("RMMs") for the substances / articles / preparations we supply to you.

Yes No Not applicable
